Project Name	Field Service WorkOrder Optimization

The outemps of this project come in the form of:

Reports:)

WorkOrder Status Report

Shows the current status (Pending, Resolved, etc.) of all work orders across locations.

Technician and Assignment Summary Report
Displays technicians, how many assignments they've been given, and their availability.

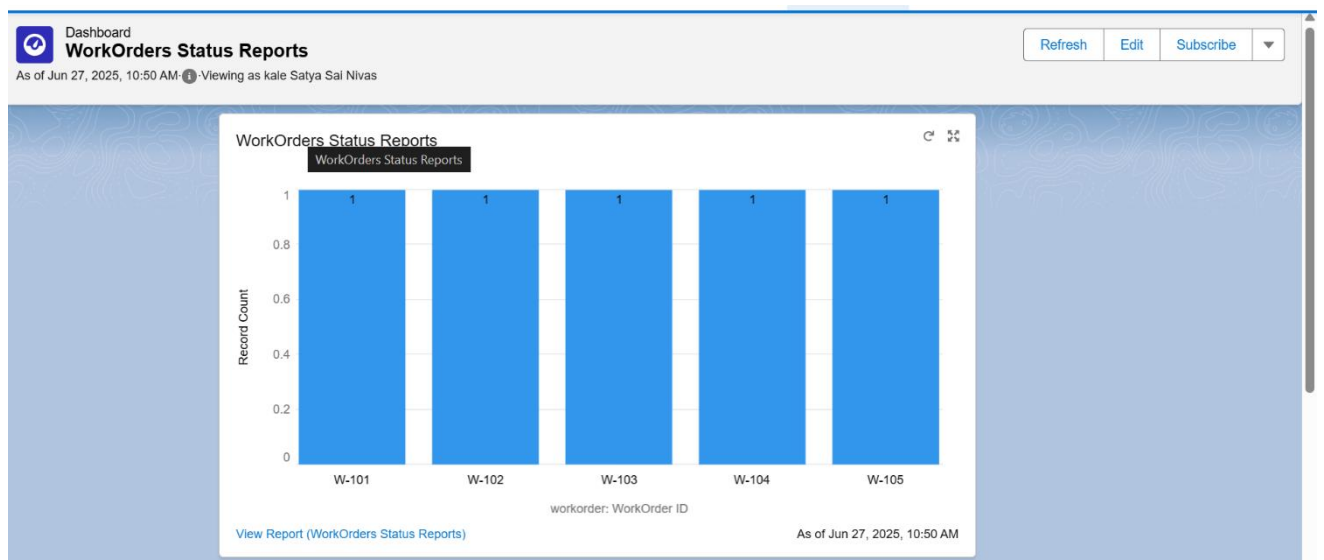

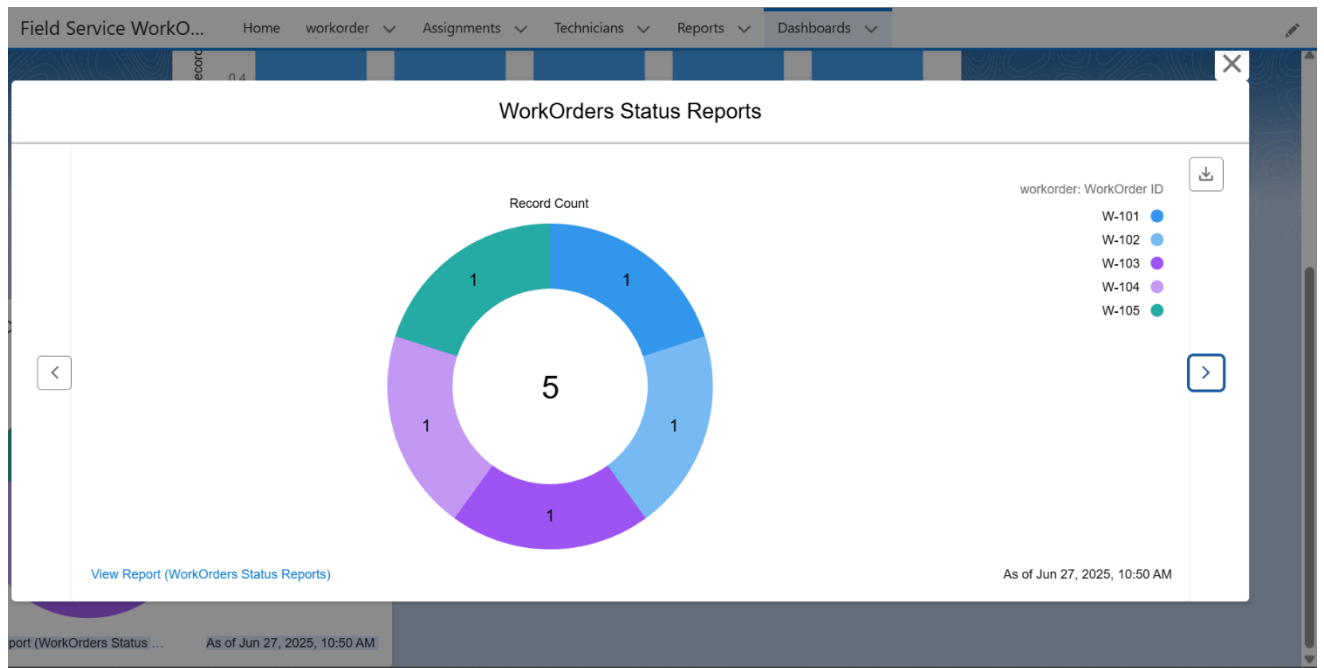

Dashboards

We have created two dashboards using different display formats:

- **Dashboard 1: WorkOrder Overview Dashboard**

  Displays count of total WorkOrders by status (pie chart) and by location (bar graph).
